Email: emissionstrading@cabinet.nsw.gov.au

Dear Sir,

The Australian Wind Energy Association represents wind energy developers, manufacturers and suppliers who seek to increase the share of Australia's energy production from Wind – a sustainable and renewable resource.

Please accept the following submission on the to the Interjurisdictional Working Group On The National Emissions Trading Scheme (Nets).

We are happy to further elaborate on any item at your convenience.

Yours sincerely

A handwritten signature in black ink, appearing to read "D. La Fontaine".

Dominique La Fontaine
CEO
